Dear Sir or Madam:

Patrick Sweeney Photography will be taking posed Communion Portraits before and after Mass downstairs in the SCHOOL CAFETERIA beginning at 9am. During the Mass we will be taking a photo of each child receiving Communion. There is no obligation to buy. The photos will be displayed on a password protected, internet site for you and your family to see. You may order prints through the website. The password and instructions to view the prints, will be provided on the Communion day. There will be no appointment times set. We have worked it this way for the past few years at other locations and we find it is much easier for everyone. Just complete the information below and bring with you on Communion day. We look forward to seeing you!

Patrick
