ROSARY RALLY FOR THE 2016

AMERICA NEEDS FATIMA TRADITIONAL MARRIAGE CRUSADE

Saturday, March 19th, 12 Noon in front of the Fatima Statue

Join in prayer with 14,000 other Catholics across the country!

These mass rallies are a project of “America needs Fatima” campaign which takes to heart the message of our Lady of Fatima to pray the rosary for the conversion of America and the world. Campaign organizers named these rallies “St. Josephs traditional marriage rallies” and asks the participants to pray for the nation in light of the June 27, 2015 supreme court decision legalizing same sex marriage. This is an invitation to join together and recite the rosary in public in front of the Fatima statue of Our Lady’s apparition to the children in Fatima, Portugal.

Regardless of the June 27, 2015 ruling of the Supreme Court on this issue, those who participate in this extraordinary event can expect extraordinary aid from God and his Blessed Mother.

Feel free to bring a lawn chair if standing might be a problem for you. Invite as many people as possible. We ask you to park in the old A&P parking lot across the street from the church. This event is rain or shine so please bring an umbrella. For more information please go to www.americanneedsfatima.org
