

# Haiti Relief!

**Hurricane Matthew has devastated Haiti. WE NEED YOUR HELP! Donations are being collected at St. Elizabeth's and then shipped directly by container to St. Peter and St. Paul Basilica in Coteaux, South Haiti for distribution by our parishioners. Help us response to this need by our brothers and sisters in Christ.**

## **DONATIONS NEEDED: See List on Reverse Side**

Volunteers are welcomed to join this trip to unload and distribute donations in Haiti. If you are interested, contact Regine and Roosevelt Andre (below).

Sponsors to help pay for the container or even clearing the container at port in Haiti are needed. Can you help in this way?

**Directions:** Drop off the Rectory Garage. Go through single door between our garage doors and leave inside. If you are delivering a very large quantity, please call Jonathan Camiolo (201) 891-3262 ext. 225 to schedule.
